AD BLY
CONSTRUCTION

ABOUT AD BLY

As a company with over 20 years experience and a turnover in excess of £50-million, AD Bly Construction has built an enviable reputation in the residential, retail and commercial sectors.

OUR TEAM

We have built an experienced and loyal workforce. Although we do function as a team, our directors each take direct responsibility for specific aspects of our business, which maintains our commitment to service and gives clients complete peace of mind at all times.

HOW WE WORK

Our set up from top to bottom maintains a fast action approach, always within reach, contactable 24 hours a day, seven days a week. Our reputation has been gained through hard work, endeavour and commitment to a very satisfied client.

CORE SKILLS

AD Bly Construction recognise the importance of maintaining and developing a workforce with a multidisciplinary approach, utilizing the most up to date work practices in the industry.

DEMOLITION

Recycling materials on site.

GROUNDWORK

Substructures, drainage and external works including hard and soft landscaping.

CIVIL ENGINEERING

Heavy civil engineering works including roads and sewers, bridges etc.

CONCRETE FRAMES

In-situ concrete frames, basements, retaining walls and more.

ENVIRONMENTAL

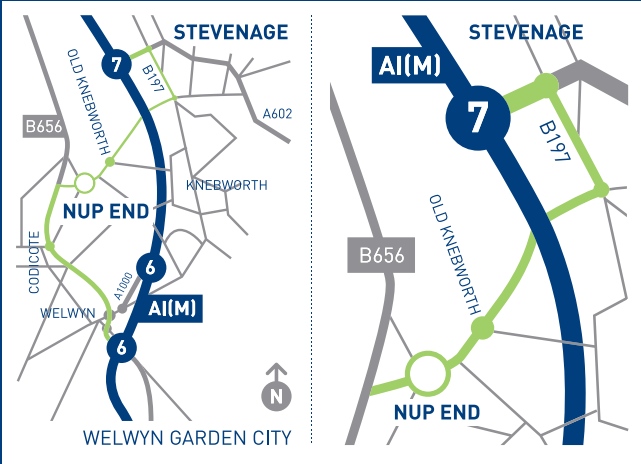

From contaminated land remediation in accordance with environmental legislation through to the redevelopment of Brownfield sites.

HEALTH & SAFETY

An ever evolving project can only be achieved by feedback and robust management. Constantly monitored to keep abreast of government regulation and workforce wellbeing.

BUILDING PARTNERSHIPS FROM THE GROUND UP

DIRECTIONS FROM NORTH OR SOUTH

EXIT Junction 7 - Stevenage

From Junction 7, follow signs for Knebworth B197, once you are on Stevenage Road (Knebworth) you will approach a mini roundabout.

Turn right at this roundabout. You are now on Station Approach, head towards the railway bridge and drive through.

Stay on this road for 1.5 - 2 miles, Station Approach will then go into Park Lane.

AD Bly is situated between Park Lane and Bury Lane.

If you are using your SAT NAV you will be better inputting Park Lane not our postcode.

If you enter from Junction 6 follow signs for Codicote B656, once in Codicote turn right (after The Bell Inn pub) into Bury Lane.
