

5 star accreditation - Achilles level 5 'Building Confidence' Scheme

AD Bly Construction. Nup End Farm, Old Knebworth, Hertfordshire, SG3 6QJ

This award has been made as a result of our commitment to continuous improvement in all of our activities across our Business. Criteria for the 5 star ratings have been set at a level that recognises the highest standard of achievement and sustaining those levels for two or more years. The Building Confidence scheme assesses performance around a number of key performance areas including corporate governance, legal compliance, commercial management, health, safety, environment and quality management, sustainability, ethics, financial and immigration checks.

5 star accreditation - Achilles level 5 'Building Confidence' Scheme

The star rating for accredited suppliers is calculated based on the number of minor non-compliances recorded to which AD Bly Construction had zero.

AD Bly Construction are very proud to announce that we have been awarded a certificate of "Performance Beyond Compliance" in our first year as a member of the Considerate Constructors Scheme. Three of our sites were audited over a twelve month period against the schemes five sections of their code of practice. AD Bly Construction scored 7 or more out of 10 in all sections to be awarded this recognition.
